URL Shortener

A URL shortening service that allows users to create shortened URLs from long links. Features include custom URL aliases, clicks counts, user authentication, and Tags for the urls.

Manga Library

Created a Google Chrome extension CRUD tailored for manga, manhwa, and manhwa enthusiasts. Seamlessly organize your library by saving titles and links, tracking chapter progress, and managing your reading list with ease. Featuring smart filters for effortless sorting and searching, this app ensures that your collection is always just a click away. With a clean, intuitive interface crafted by manga lovers, for manga lovers, it's the ultimate tool to elevate your reading experience.
